

ILLEGIB

*DRAFT*

Lieutenant General John B. McPherson  
Commandant  
The National War College  
Washington, D. C. 20315

Dear General McPherson:

I was pleased to receive your recent invitation to have Mr. [REDACTED]

STATINTL

[REDACTED] stay on at the National War College as a member of the

STATINTL

National Security Affairs Research Group following his graduation in

June. I regret, however, that [REDACTED] cannot be made available  
for this assignment because of previous commitments for his services.

STATINTL

Arrangements for his next assignment are well advanced and, in fact,  
have been pretty well finalized within the last few days. Accordingly,  
his withdrawal from the proposed assignment at this time would produce  
several problems affecting long-standing plans.

I favor the appointment of an Agency representative to the National  
Security Affairs Research Group and will review your invitation with  
other senior officials who would have a pre-eminent interest in the activi-  
ties of the Group and also be responsible for selecting a qualified candidate.
